

Improving the Perception of Public Service through Internships, Training and Mentoring Programs for Youth and the Incoming Workforce

**April 20 Palm Coast City Hall (Community Wing)
160 Lake Ave, Palm Coast**

9:00 am – 2:00 pm (includes lunch)

The City of Palm Coast recognized the necessity of improving the perception towards public service. The City believes that changing the perception of local government needs to be a grassroots effort through real experiences with the next generation. This training workshop will detail programs that the City has implemented to begin addressing the negative perception and develop new techniques that can be implemented within the participant's respective community. Speakers include Administrative Services & Economic Development Director, City Manager, Planning Technician, GIS Specialist, Deputy Fire Chief, Utility Chief Operator and Interns of Palm Coast.

Don't miss this opportunity to engage in training side-by-side with Florida's managers.

All FCCMA members will be invited, but most likely participants will come from District 2 which includes county and city members within the following counties: Baker, Bradford, Clay, Columbia, Dixie, Duval, Flagler, Gilchrist, Hamilton, Lafayette, Madison, Nassau, Putnam, St. Johns, Suwannee, Taylor, Union and Volusia.
