

ADA/Accessibility: Planning now to avoid ADA lawsuits and DOJ Settlements Later

April 19 Lakeland Linder International Airport, 3900 Don Emerson Dr.

10:00 am – 1:30 pm (includes lunch)

This FCCMA training program will address a number of concerns regarding website accessibility; including creating accessible documents/PDF's and screen readable web pages, and creating additional ADA-friendly digital content for social media and video. The program will also include a brief overview of the ADA's five titles with a focus on Title II, which applies to state and local governments. The process of self-evaluation and ADA transition planning will also be discussed, as well as information about managing accommodation requests.

Immediately following this training, a one hour complimentary tour will be provided to interested attendees to see the National Oceanic & Atmospheric Administration (NOAA) Operations Center and Draken International; the world's largest commercial fleet of tactical ex-military aircraft that supports military training objectives around the globe.

Don't miss this opportunity to engage in training side-by-side with Florida's managers.

All FCCMA members will be invited, but most likely participants will come from District 8 which includes county and city members within Lake, Polk and Sumter counties.
